STAT  
Dear

Before you officially take leave of us, I wish to express to you my sincere appreciation for all that you have accomplished for the Agency during the past two years. You have made a real contribution and our Government has been the beneficiary of it.

Personally, I have particularly enjoyed our relationship. There never was a time when we failed to settle our problems in an amicable and constructive way.

As to the future I look forward to turning to you for advice and guidance and shall call upon you to the extent that your time and other duties permit. In particular, I hope that you will let me know if you have ideas as to action we might take or people who would add strength to our staff. You will always be welcome here whenever you have time you can give to us.

Faithfully yours,
